Friday night will have a short meeting and more fellowship and Saturday night will be a wrap up of our experiences.

We will have restaurant choices as there are no planned meals other than breakfast.

The Lincoln history provides ample sights to see or revisit. Brochures will be available.

The Edwards House is expecting some of us to return to see if/how they have used the EAPGS donation of several years past.

Bring a favorite antique. Be prepared to discuss it. Let's learn from one another.....
